Custom Ink Label Program Guide

Customizing your bingo markers is easy with our Custom Ink Label Program

How do I create a custom ink label?

1. Choose your ink design, color and size by visiting our [Bingo Ink Selections and Order Forms](#) page
2. Download and carefully download files for application either from our [Custom Ink Selections and Order Forms](#) page

For most quantities in Bingo Brite and other Dabbin' Fever ink, choose a label from the design area (A) or from the

If you have chosen (Bingo Brite) choose from label designs in group (B) shown below. Then, customize with logo or personalized information in a vibrant, playful, fun and/or special occasion design according to your logo, see attached pages.

For larger quantities, a color label or design can be custom designed by us to suit your needs. It will be added to standard design according to ink type. A view proof of the ink will be provided for you to review, within 48 hours.

Bingo Brite/Dabbin' Fever labels (A) | **Ultima Wink labels (B)**

Equipment manuals: At your fingertips for easy reference you can find downloadable and printable versions of all of our equipment manuals. You always have quick access to installation instructions, troubleshooting, part numbers, warranty information, electrical requirements and more.

Bingo electronics: View and download bingo electronic information and support materials such as equipment manuals from E-max and Blue Dog Gaming.

Popp Opens: View, search and download flyers from the many tickets available by theme, category, form, similar payout count, ticket name and more. Also download line lists and sort by what is important to you and your customers.

Searching for tickets is this easy...

THEME

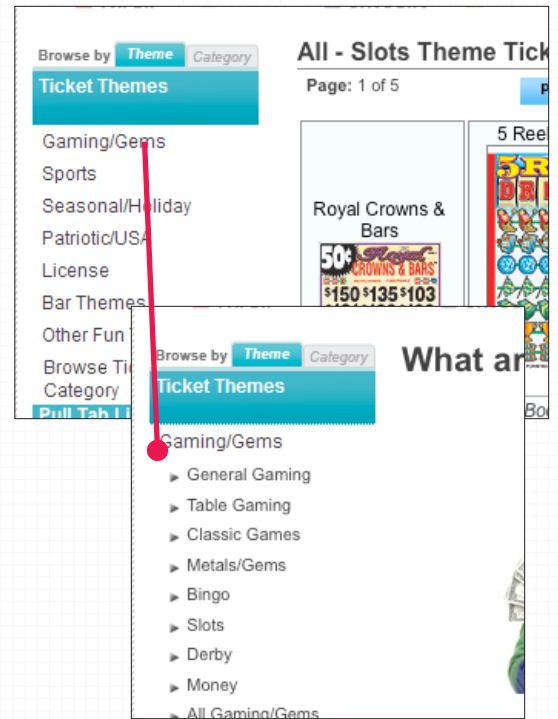

- **Search tickets by theme:** select from the many ticket themes like sports, seasonal/holiday, license, etc... in the side navigation bar. All games for that inventory will be displayed in order from current releases backward.

Current tickets displayed first

Pre book now: Ticket will ship immediately once produced

Available to order: Ticket is produced and is available to ship now

- **Narrow search within theme using additional search options**

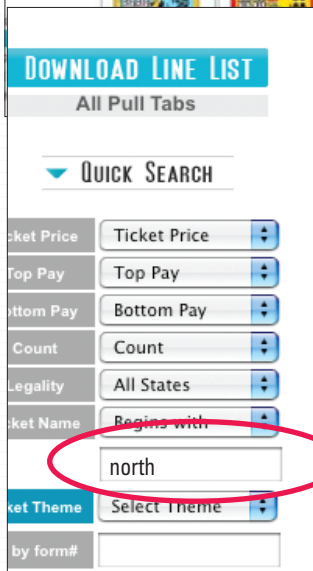

Additional ticket search options: use this section of the Popp-Opens page to search by ticket name or parts of the name, count, legality and more.

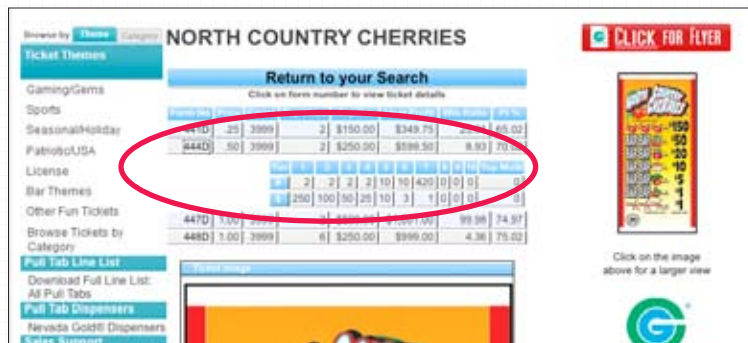

Search by ticket name: use this section of the Popp-Opens page to search by ticket name.

Search by form number: use this section of the Popp-Opens page to search by ticket form number.

Search by similar form number: click on "show all games with similar payout" to find tickets with similar payouts available

Search by name

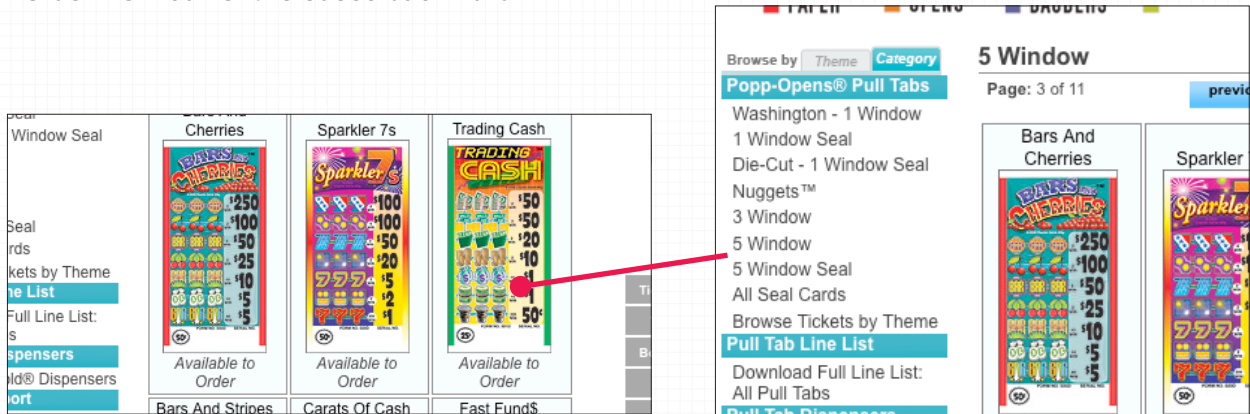

Form numbers

Click on the form number for additional payout information

CATEGORY

- **Search tickets by category:** select from ticket type 1 window, 3 window, 5 window, seal cards, etc... in the side navigation bar. All games for that inventory will be displayed in order from current releases backward.

- **Narrow search within category using additional search options**

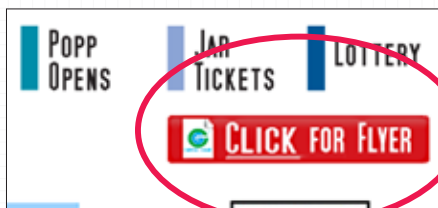

Additional ticket search options: use this section of the Popp-Opens page to search by ticket name or parts of the name, count, legality and more.

Search by ticket name: use this section of the Popp-Opens page to search by ticket name.

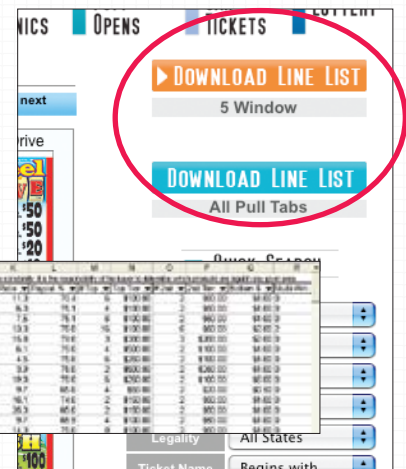

Search by form number: use this section of the Popp-Opens page to search by ticket form number.

Search by similar form number: click on "show all games with similar payout" to find tickets with similar payouts available

- **Download & print ticket flyers:** Instantly download and print ticket flyers with payouts.

- **Download line list:** Click on the "Download Line List" button and view/sort all games as shown on the previous page. Search by what's important to you and your customers. All available games that match your criteria will be displayed.

SEAL & EVENT

Website features are now available with more information:

- **Download our full line list:** from the Popp-Opens® page, simply click on “Download Full Line List” to view or save an Excel file listing details for all of our tickets. You have the option to print just one page or the entire document. The line list shows all forms available alphabetically by game name. This allows you to sort by **tabs, price, structure, payout** or **any criteria** that’s important to you by clicking on the auto filter arrows.

Line List Snapshot

1	Note: List includes some custom games which may not be available to you. In addition, the laws that determine the legality of these products change constantly. It is the responsibility of the buyer to determine which products are legal in any given area.
